in the following manner:

Despite earlier delay in Bahtera Azalea mobilization progress, PPSB have shown high commitment and full concentration in the execution of in mitigating delays to achieve WORK Completion and catching up mobilization progress.

Proactive measures taken by PPSB. include:

- Closed engagement between SKG and Project team to enable proper planning is incorporated into inspection works to meet the target achievement.
- Good worksite coordination between Operation , Marine and Construction avoiding unnecessary hiccup to underwater inspection work.
- Full commitment by PPSB management team working full force round the clock to ensure the works to be completed.
- Extra alert by PPSB team to ensure all works to be done in safely manner and always inculcate the workers regarding "SAFETY FIRST"

By doing this, you have positively impacted the following key result(s):

Successfully achieved positive work progress and achieving 14,950 safe manhours without LTI. Thus it will support OTO/OS philosophy.
