

QUALITY POLICY

As a service provider for Engineering, Procurement, Construction, Maintenance and Underwater Services for Onshore and Offshore Works, Pioneer Pegasus Sdn Bhd is committed to provide total client satisfaction through quality excellence and continual improvement in all our processes and functions to meet client's requirements for onshore and offshore activities through:

- ❖ Commitment to meet the requirements of its products and services as per applicable codes, statutory requirements, and client's specifications.
- ❖ Participation of all employees, sub-contractors, and vendors in quality program in order to continually improve the effectiveness of the quality management system.
- ❖ Periodical Management Review Meeting to assess relevance, effectiveness, suitability and maintaining the ISO 9001:2015 QMS for continual improvement.
