

CHEMICAL USAGE POLICY

It is the policy of **PIONEER PEGASUS SDN BHD** to safety handle, properly store, use and dispose of chemicals in its business. This also applies to its Sub-Contractors.

In meeting this policy, **PIONEER PEGASUS SDN BHD** will ensure that: -

- ❖ All chemicals conform to the appropriate Government Regulations and Guidelines.
- ❖ Each chemical is accompanied by its Safety Data Sheet (SDS) which must comply to International Standard Organization (ISO) Requirements.
- ❖ Where use of a toxic or hazardous chemical is unavoidable, appropriate steps shall be taken to minimize the risk of injury to people or harm to the environment.
- ❖ Where feasible, chemicals shall be chosen so as not to cause harm to people and minimize any negative impact on the environment.
- ❖ Employees handling chemicals have been properly briefed, confirmed to be aware of its contents and appropriately equipped with personnel protective equipment.

PIONEER PEGASUS SDN BHD believes that a healthy and safe working environment is the greatest importance in all of its operations.

DATUK MOHD NAZRI BIN MOHD ZAIN
